TERRIFFIC EXPLOSION

Twenty Thousand Pounds of Giant Powder Explodes and Sets the Earth to Vibrating for 150 Miles Around.

Rummel & Co's. Dynamite Magazine Furnishes the Material for the Grand Shake Up.

Remarkable Escape of Three Men and Two Boys Engaged in the Works.

A few minutes after 10 o'clock A. M. yesterday our deople were fairly startled out of their senses for an instant from the report and concussion of a terriffic explosion which shook the firmest buildings, throwing open doors in some instances, jaring down windows that were raised and breaking heavy plate glass and other win-Anneode county, is the guest of her uncle and sunt, Mr. and Mrs. Win Barton, this week, and they have concluded to postpone their trip to Canada and await later returns from New York. were coming down upon their heads, and each anxiously inquired as the vibrating sound rolled along up the river, "what was

can define it, that an earthquake or meteor had exploited just over head and that the garding the safety of their children.

John Phaton was driving a spring wagon to top of the building was being crushed in by the concussion, and we ducked our head as gracefully as a canal cook on the cry of when the explosion took place, and his rig and "low bridge." The second thought was contents were piled into the ditch in a heap, that the boiler at Mr. Boetsch's mill or the while the air was filled with flying debries from pump house had exploded and as we rush- barns, fences and trees which were falling all ed out the back door to see the result the around them. Strange to any more were injured boys said it must have been an earthquake. All was serene in the vicinity of the mill there in the course of a year or two.

Loup City, where his son Vitus is now enwere rushing to the top of the hill to take Loup City, where his son Vitus is now engaged in teaching music, is a new town of about 300 inhabitants, supports two salook in the direction of Teledo. A spiral looked across the street and thought all the bricks of the two butcher shops and the bakery column of smoke had been seen to shoot up in the direction of Toledo and a large that the bricks of the two butcher shops and the bakery were coming right over onto him, and he can up in the direction of Toledo and a large to the two butcher shops and the bakery were coming right over onto him, and he can be the bakery were coming right over onto him, and he can be the bakery were coming right over onto him, and he can be the bakery were coming right over onto him. upgard and eastward. A large number out the front door to prevent being crushed by to all that a terrible explosion had taken place in Toledo, either the gas works, oil tanks, large body of powder, or Toledo had

busted her suspenders. The telephone office was then besieged, but it was like a quilting party, an exciteing debate in Congress, or something of Bowling Green, Perrysburg and South Toledo were all calling Toledo and inquiring "what was 11?" But the wires had been blown down in the vicinity of the Onto Farmers is, and it is one to suppose and the talk was cut mas at the old, opesed nearly a mager remains that it was most probably the dynamite an effort to leave the rooms by the abortest contains. The teachand the conviction soon settled on this ers in some of the departments held their put theory as the cause of the carthly and plls, while in others so many had scattered unearthly stake up. Soon after a large about town to see what was up that the classes number were in their buggles and heading were adjourced until noon. their way to the scene of the explosion. We extract from the Toledo Bee the fol knee, but he held on to the horses and they were lowing furnished by a reporter who was on the spot which corresponds with the

reports brought back by our citizens who visited the scene : At the time of the explosion, which occurred about 1 minute past 10 o'clock, there were in the factory the foreman N. A. Clark and Rynchold Gaul, both of whom were at work compounding the gly-cerine and acids. In the packing house was a man named William Heighthorn.

in the mixing room.

Foreman Clark gave the BEE reporter
the following account of the explosion:
"Gaul and myself were in the factory one iron gray mare, three years old, with ring bone on right hind foot, weight between 1,100 and 1,200. Also a dark iron gray stallion, one and a hall years old. A reward of \$25 is offered for information that will lead to the recovery of the animals. Mr. Ruelle is a poor man and the loss almost ruins him.

—Children's Garments!

—Children's

The following from a lady subscriber and reader of the Journal, while evidently not written for publication, contains no instructions not to publish, and not unlike the articles referred to therein one. explosion. I had no time to think, it was ly not written for publication, contains no instructions not to publish, and not unlike the articles referred to therein contain some thoughts that are whelesome for the public eye. This is sufficient excuse for its publication:

BRYAN, O Nov. 12th, 84.

effects of the concussion, and that the cracks in the wall where the new building is joined to the old, opened nearly a finger length. It is not surprising that the scholars should make an effort to leave the rooms by the shortest route in such a state of confusion. The teachers is some of the departments held their pupils, while in others so many had scattered about town to see what was up that the classes were adjourced until noon.

We might continue first impressions and splinters from the wreck almost indefinitely, but have already crowded over considerable matter prepared for this issue. To more fully illustrate the fact to the distant reader that we had the greatest shake up on earth, who appened two dispatches to more fully explain the force of the explosion:

Colorester, Ont., Nov. 13.—Quite a severe shock of carthquake was felt here at 10.20 this morning which brought nearly every person in the village to the door to learn the cause of the shaking ground. It was felt at Kingsville also where windows were broken.

Cleveland, Nov. 13—A rumbling and shock believed to have been caused by the explosion at Toledo about 150 miles in an sir line. Here 112 miles east from Toledo, persons who observed the metion thought it was an earthquake.

CRY FOR HELP ANSWERED. DR. HAINES' GOLDEN SPECIFIC, A POSITIVE AND RADICAL CURE FOR

TAKING A DRINK OF LIQUOR IS A PHYSICAL IMPOSSIBILITY. akenness is a disease, not a weakness. Primarily the appetite for alcoheculity ated; but when the appetite is once formed, it is as much a disease a for which needed is a saministered. Every nerve, these and pore of the need wolf with a million mouths gnawing upon the system and craving temperance lectures, "dreadful examples," prayers, resolutions—all are in a thousand can withstand the battle; not because he has not the dessist physically weak. He could as easily abstain from enting food after another than the hand, as to don't his hungry aystem in its awful craving for its property of the state of the same o

THE SPECIFIC AND LIQUOR CAN NOT EXIST IN THE SYSTEM TOGETHER. WIVES, MOTHERS, SISTERS,

fixed to neglect this means of saving the husband, son, or brother? As certain as ove and desire to save the erring one, so certain do we offer you the means to ac-uch a result. Instead of altting hopelessity at home, praying for the help that does instead of putting one tota of trust in any system of piceless or reform. COME TO THE RESCUE YOURSELVES.

. Langell's Asthma and Catarrh Remedy Having struggled 20 years between life and death with AST HMA or PHTHISIC, treated by eminent physicians and receiving no benefit, I was competing the last five years of my illness to sit on my chair day and night gasping for breath; my suy ferings were beyond description. In despair I experimented on myself by compounding roots and herbs and inhaling the medicine thus obtained. I fortunately discovered this WONDERFUL CURE for ASTHMA and CATARRH, warranted to relieve the most stubborn case of ASTHMA IN FIVE MINUTES, so the patient can lie down to rest and elsep econortially. Any person not fully satisfied after using one-third of a box, can return the romained or to the proprietor and the money will be refunded, or send me your address for a trial package FREE OF CHARGE. Mrs. W. T. Brown, Monroe, Taxas, writes: I suffored with Asthma ay years. Your Great Remedy completely sured mall with all affilted with Asthma and Caiarra tesend for ft. Publish this for the benefit of the stillied." Should your druggist not keep the Remedy, I can send is by mail on receipt of price \$1.00. For anile by all druggists. Address.
